It is expressly agreed by the exhibitor that in the event they fail to pay the space rental at the times specified, or fail to comply with any other provisions contained in these rules and regulations concerning the use of exhibit space, Show Management shall have the right to reassign the booth location shown on the face of the contract or to take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by him for his space reservation, regardless of whether or not the Show Management enters into a further lease for the space involved.

2. SPACE RENTAL AND ASSIGNMENT OF LOCATION. Whenever possible, space assignments will be made by Show Management in keeping with the preferences as to location requested by the exhibitor. **SHOW MANAGEMENT, HOWEVER, RESERVES THE RIGHT TO MAKE THE FINAL DETERMINATION OF ALL SPACE ASSIGNMENTS IN THE BEST INTERESTS OF THE EXPOSITION.**

3. USE OF SPACE, SUBLETTING OF SPACE. No exhibitor shall assign, sublet, or share the space allotted with another business or firm unless approval has been obtained in writing from Show Management. Exhibitors are not permitted to feature names or advertisements of non-exhibiting manufacturers, distributors or agents in the exhibitor's display, parent or subsidiary companies excepted. Exhibitors must show only goods manufactured or dealt by them in the regular course of business. Should an article of non-exhibiting firm be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint or trademark under which same is sold in the general course of business. No firm or organization not assigned exhibit space will be permitted to solicit business within the Exhibit Areas.

4. EXHIBITORS AUTHORIZED REPRESENTATIVE. Each exhibitor must name one person to be his representative in connection with installation, operation and removal of the firm's exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. The exhibitor shall assume responsibility for such representative being in attendance throughout all exposition periods; and this representative shall be responsible for keeping the exhibit neat, manned and orderly at all times. Installation of all exhibits must be fully completed by the opening time of the exposition. Any space not claimed and occupied three hours prior to opening, may be resold or reassigned without refund. No exhibitor will be allowed to dismantle or repack any part of his exhibit until after the closing of the Show.

6. ARRANGEMENT OF EXHIBITS. Each exhibitor is provided an Official Exhibitor Kit. The Exhibitor Kit describes the type and arrangement of exhibit space and the standard equipment provided by Show Management for booth construction. All booth space must be arranged and constructed in accordance with the guidelines, provisions and limitations contained in the Exhibitor Kit. If, in the sole opinion of Show Management, any exhibit fails to conform to the Exhibitor Kit guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exposition.

7. EXHIBITS & PUBLIC POLICY. Each exhibitor is charged with knowledge of all laws, ordinances and regulations pertaining to health, fire prevention and public safety, while participating in this exposition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor. Show Management and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor's space, materials and operation is concerned. All booth decorations including carpeting must be flame-proofed and all hangings must clear the floor. Electrical wiring must conform to the Monacan Electrical Code Safety Rules. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazard, the right is reserved to cancel all or such part of his exhibit as may be irregular, and effect the removal of same at exhibitor's expense. Exhibitors will not be permitted to store behind their booth background any excess material such as cardboard cartons, literature, etc. Excess supplies must be stored in areas which will be made available for such purpose. It is the exhibitor's responsibility to mark and identify his crates. Crates not properly marked or identified may be destroyed. Show Management assumes no responsibility for the contents of crates or boxes improperly labeled as "empty" because of the lack of storage facilities, it may be necessary to store empty crates and cartons outside the building. Every effort will be made to protect the crates from the elements, but neither Show Management nor its service contractors will assume any responsibility for damage to them. The removal and return of large crates that cannot be handled by hand trucks will be charged at prevailing rates. Exhibitors will be billed by Show Contractors for removal time and materials at prevailing rates.
